

Hi everyone!

This week has been great fun at Unified Academy – did you know it was World Book Day? Lots of the staff dressed up as characters from different books and there were lots of fun reading activities during enrichment.

World Book Day changes lives through a love of books and shared reading. Their mission is to promote reading for pleasure, offering every child and young person the opportunity to have a book of their own. The boys at Unified Academy all went home with a World Book Day goody bag and a voucher so they can get their own books.

You can find out more about World Book Day here:
<https://www.worldbookday.com/>

Here is my brother Bramble reading one of my favourite books about a pirate dog! Do you have any favourite books? I would love to read them with you when I am in school!

See you all soon

Lots of love

Mani X
