

Hi everyone!

You have probably noticed that we haven't seen Polly at Unified Academy for a while – that is because she has had a litter of puppies!

Polly has had a litter of 6 beautiful labradoodles!

A labradoodle is a crossbreed dog created by crossing a Labrador and a Poodle. Did you know that Labradoodles were bred to be hypoallergenic, and they are a good choice for people with allergies to dogs.

Hopefully James will bring the puppies in to visit you all when they are old enough 😊

See you all soon!

Lots of love

*Mani X*
