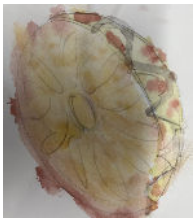
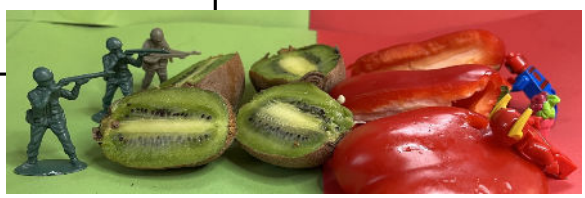
Tutti Fruity!

Photography & Art

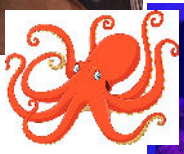
This half term, year 10 have been having their 5 a day by sketching, painting and photographing fruit and vegetables.
In Art, they experimented using pastels for the first time which they enjoyed layering colours with.
During photography, they created imaginary scenes using mini figures & folded paper creating some amazing shadows!

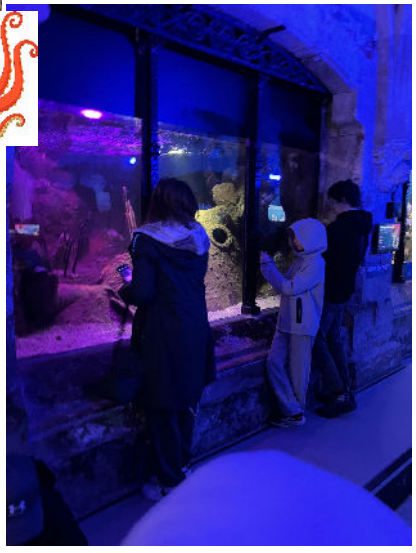




Top Ten winners!

This half term, the top ten E-Priase students who were lucky enough to swim their way to the top, enjoyed a day out in Brighton at the Sea Life Centre!
They took an underwater journey and experienced the ocean through an underwater tunnel, marvelling at the floor to ceiling viewing window Here, they experienced rays, jellyfish, turles and...sharks!





Another trip out!

The students loved Dorking Museum so much that they returned again this week! The highlight of the visit was using the old-fashioned typewriter & wondering how the penny farthing worked!
