Unified Academy newsletter

We are sailing!

Some of our students took to the water during their PD session this week!

The boys discovered new horizons, mastered new skills and challenged themselves at Mercers Lake for the afternoon. The weather was kind and no one capsized! Phew!

Totally hooked!

The fishing students had another successful day at the lake this week! Their bated breath and perseverance paid off well with catches of perch, pike and carp!

Well done boys! Fishy kisses all round!

Adolescent mental Health Workshop

Parent/Carer Workshop: Adolescent Mental Health

We are delighted to invite parents and carers to an upcoming online workshop focusing on **Adolescent Mental Health**.

Date: Monday 18th May
Time: 11:00am
Location: Online (please check your email for the joining link)

This workshop will provide helpful information, guidance, and support around young people's mental health and wellbeing.

If you have any questions or would like further information, please contact **Laura Hall (Home School Link Worker)**.

We hope you can join us and look forward to welcoming as many parents and carers as possible.
