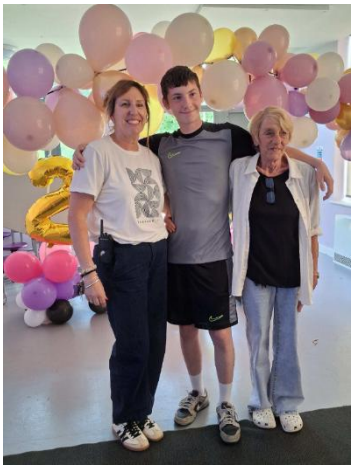
Goodbye Year 11s!



Year 11… well, here we are. You made it!

We are all incredibly proud of you. You've worked hard (even if sometimes at the very last minute), grown as individuals, and somehow managed to keep going through it all.

Always believe in yourselves. You are far more capable than you sometimes give yourselves credit for. Take opportunities, make good choices (most of the time), and don't forget where you came from.

We'll miss your energy, your humour, and even the occasional "creative" excuses. The school won't be quite the same without you.

Good luck with whatever comes next—whether that's college, apprenticeships, or just figuring it all out as you go (which, let's be honest, most adults are still doing).

Go and do amazing things.

Goodbye and good luck and remember, we have very long memories if you ever become famous!
